

UCCS Scholar Intern Guide to Medical Care in Sacramento

FOR STUDENTS ENROLLED IN THEIR HOME CAMPUS' STUDENT HEALTH INSURANCE PLAN.

The UC Davis Cowell Student Health Center is your primary resource for routine and urgent medical care. All fully enrolled UC students can be seen at the UCD Student Health Center and will be charged the same rate as fully enrolled UCD students. Furthermore, your home campus' Student Health Insurance Plan will most likely reimburse you for most, if not all, of your expenses incurred at the UCD Student Health Center, although this may require prior approval. How much will be covered varies according to your home campus' insurance plan. Whenever possible, it is best to contact the student health insurance office at your home campus **before** seeking services at the UCD Student Health Center. Consult your UCCS Student Handbook and the UCD Cowell Student Health Center website for routine and urgent care hours, 24-hour advice nurse contact information, directions to the facility, and cost. Non-UCD students must be prepared to pay for services by check up front. UCD students will have charges added to their student accounts.

Non-UCD students might also be able to be seen at a routine or urgent care facility in Sacramento. Consult with your home campus' health insurance office to find out more.

For **emergency services**, go to your nearest emergency room or call an ambulance (911). The nearest emergency room to the Guest Suites Adagio or Regatta Apartments is the UCD Medical Center Emergency Room at 2315 Stockton Blvd. As soon as you are able after the emergency, contact the student health insurance office on your home campus for reimbursement instructions.

Contact Joaquin Feliciano immediately if you have any difficulty being seen at the UCD Cowell Student Health Center or getting reimbursed for services received there.

FOR STUDENTS COVERED BY THEIR OWN NON-UC HEALTH INSURANCE PLAN

If you wish, you may receive **routine and urgent care services** at the UC Davis Cowell Student Health Center. You will be charged the same rate as fully enrolled UCD students. Consult your UCCS Student Handbook and the UCD Cowell Student Health Center website for routine and urgent care hours, 24-hour advice nurse contact information, directions to the facility, and cost. **However, your health insurance might not reimburse you for any charges you incur at the UCD Student Health Center.** If you wish to have your charges covered by your health insurance, you must contact your health provider to determine which facilities in the area accept your insurance and what you need to do to be reimbursed for your charges.

You must consult with your health insurance provider to see what you should do and where you can go for **emergency services**. The nearest emergency room to the Guest Suites Adagio or Regatta Apartments is the UCD Medical Center Emergency Room at 2315 Stockton Blvd. **However, your health insurance provider may not reimburse you for any charges incurred there.** Therefore, it is important to know where you can go in the Sacramento area **before** a medical emergency arises. If you don't have it already, contact your health insurance provider immediately prior to obtain this information.
